

GLOBAL ETHICS & CONFLICT RESOLUTION

Symposium participants (including commuter participants) will arrive at the dormitory at 2207 Rio Grande St. and also leave from there. Boarding students should arrive about 4:00 PM on Sunday (June 15th or 22nd). Commuter participants should arrive at the dormitory each day by 9:30 and will be ready to depart each day between 5:30 and 6:00 PM. Commuters who need other arrangements should contact us at 512.471.1950 or utpcr@uts.cc.utexas.edu. We have some flexibility, and an evening (till 10PM option is also available).

Full room and board students should plan on leaving on the 21st or 28th after breakfast. Someone will be around to supervise and check you out until 11 AM, but nobody will be available after 11. Commuters will be finished on Friday and don't need to come back on Saturday. The exception is students staying for both sessions, who will stay in the dorm on Saturday night and have a special activity for Saturday.
